Dear Robin Testing,

Thank you for submitting your application. One of our Program Managers will review the information you have submitted. We may follow up with additional questions. If everything looks good to move forward, we will send you another email with the instructions to pay the application fee, and then get you started on the next stages of the process.

If you have any questions at all, please email us at contact@sanctuaryfederation.org.

Thank you for all that you do for the animals!

After we have reviewed your initial Form A, if there are no follow up questions, you will receive the email to the right regarding paying the application fee:

Global Federation of Animal Sanctuaries

Thank you for your interest in GFAS. We have reviewed the first form in the application process, which you submitted online, and are happy to have you continue with the application process.

Before you can continue with the full application, we do ask that you submit the application fee. As of January 1, 2015, GFAS requires an application fee for NEW applicants, based on a sliding scale of your total annual expenses for the last applicable fiscal year.

You can sign back into your applicant portal [here](#) to pay the application fee. You will see a task for the fee. Just click that and it will walk you through paying the fee. The fee amount is already set, based on how you filled out the question related to expenses on Form A. If you feel that the fee is incorrect, or you do not want to pay online, please contact us at contact@sanctuaryfederation.org.

If you sign back into your Survey Monkey Apply account and click Start, you will see a new task entitled, Sanctuary Annual Expense. The fee is determined by the expenses you added in Form A (you can also see the fee breakdown in the email you received (above)).
